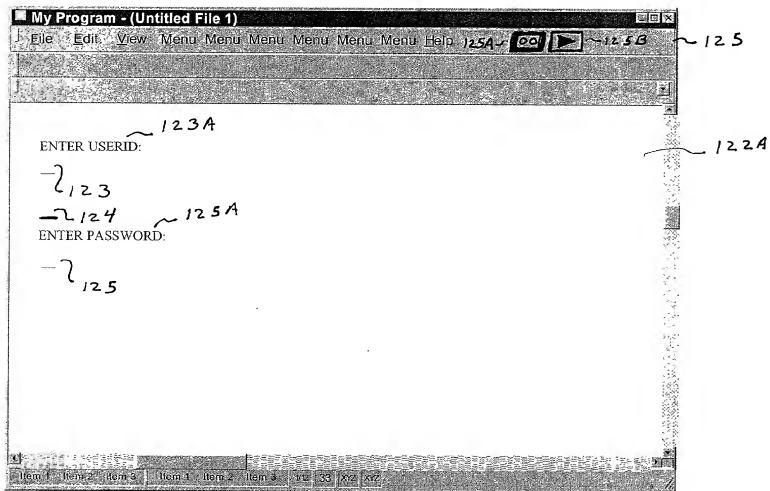

FIG. 2A  
(Prior Art)

FIG. 2B is a schematic diagram of a user interface form. It consists of a rectangular frame containing several elements. At the top is a large rectangular box labeled "TEXT". Below this box is a dashed rectangular area containing two square checkboxes. The left checkbox is checked and is labeled "YES" below it. The right checkbox is empty and is labeled "NO" below it. To the right of the "YES" label is a handwritten label "134C". To the right of the "NO" label is a handwritten label "134A". Below the dashed area is a rounded rectangular button labeled "NEXT". To the right of the "NEXT" button is a handwritten label "134D".

FIG. 2B

FIG. 2C is a schematic diagram of a user interface form. It consists of a rectangular frame containing several elements. At the top is a large rectangular box labeled "TEXT". Below this box is a dashed rectangular area. Inside this dashed area, on the left, are two stacked rectangular boxes labeled "Row" and "Column". To the right of these boxes is a rectangular box labeled "Current". Below the "Row" and "Column" boxes is a rectangular box labeled "user ID". To the right of the "user ID" box is a handwritten label "138E". Below the "user ID" box is a rounded rectangular button labeled "NEXT". To the right of the "NEXT" button is a handwritten label "138D". To the left of the dashed area is a handwritten label "138B". To the right of the "Current" box is a handwritten label "138C".
